TO: All Ex-Interns and Residents
Lancaster General Hospital

FROM: Herbert H. Cooper, Jr., M.D.

Last year was dark for the Ex-Intern and Resident Association of Lancaster General Hospital. There weren't any new ex-interns. This year is a different story.

We have new members to initiate into the fold. The date planned for the meeting of the Association is Thursday, June 25, 1970. Mark your calendar. Tentative plans include a Scientific Program in the morning. Dr. John H. Esbenshade, Jr., Director of Medical Education, will discuss current and proposed programs. We hope Dr. Nikitas Zervanos will be available to discuss the New Family and Community Medicine Program at Lancaster General Hospital.

We will have the traditional crab cake luncheon and a very short business meeting. In the afternoon you can golf, swim, see how they run (Delaware Park is open), sleep, tour the hospital or Lancaster County as you wish. In the evening an informal, hopefully outdoor, Beef Roast is planned (an alternate indoor site is secured). We will have music, continuous refreshments, very few, very brief presentations and speeches, entertainment, and a good time.

Please send the regular dues of \$5.00 to: Department of Medical Education, Lancaster General Hospital, Lancaster Pennsylvania, 17604. Further details will follow.

Howie, Grayson, Perry, Rip of 1947-48, I hope to see you there and we hope to see all years represented in force.
